The Housing Continuum

The Housing Continuum refers to the range of housing options that an individual may access over a lifetime, including temporary emergency shelters, transitional housing, social housing, affordable housing, affordable home ownership, market rental housing and market home ownership.

[Back to Top](#)

Homelessness

Homelessness describes the situation of someone who is without stable, permanent and appropriate housing. The DNSSAB, as well as other local organizations operate programs to help residents who are experiencing homelessness, or who are at risk of becoming homeless.

[Back to Top](#)

Coordinated Access Nipissing (CAN)

Coordinated Access (CA) is a standardized approach to match individuals experiencing or at risk of homelessness, with programs and services that will be best suited to serve their needs and ensure their long-term housing stability.

[Coordinated Access Nipissing \(CAN\)](#) is DNSSAB'S coordinated access system to address homelessness within the community.

How it Works:

1. Individuals and families can contact [CAN Partner Agencies](#) for information, referrals, and/or support
2. Households will be asked to complete a common intake and consent form and will be given the option to add their name to the **By-Name List**
 - **The By-Name List** is a secure real-time list of all people experiencing homelessness in the district. This list is used to prioritize individuals and households based on their needs and to ensure no one falls through the cracks.
3. As services, supports, and housing options become available, individuals will be matched based on their needs and eligibility. Assessment and Matching services and supports continue until the individual is successfully housed
4. Once housed, **CAN** will continue to provide regular check ins and support for a follow-up period to ensure long-term housing success

Social Housing

Social Housing refers to government-assisted subsidized housing for people with low to moderate incomes, seniors, or people with special needs who can live with supports in their community. **Rent-Geared-to-Income (RGI)** and **Rent Supplement** options are available through local DSSABs to make rent affordable for households. In most cases, the rent for a subsidized unit is 30 per cent of a household's total monthly income. If you receive social assistance the rent is based on the rent benefit set by the Ontario government.

Co-Operative Housing

Housing co-operatives provide not-for-profit housing for their members. Members do not own equity in their housing so if they move, their home is returned to the co-op, to be offered to another individual or family who needs an affordable home. Some co-op households pay a reduced monthly rent (housing charge) geared to their income. Government funds cover the difference between this payment and the co-op's full charge. Other households pay the full monthly charge based on cost. Each member has a vote in decisions about their housing.

[Rentals.ca](#) provides a list of affordable housing options from sources like Kijiji, Rentboard, and Viewit.

They compile options from multiple sources together on one listing.

Look for Signage

Drive/walk/bike around preferred neighborhoods. Landlords and property managers will often post signs out front where there are units for rent.

Some landlords post signs in places like grocery stores, libraries and/or community centres too.

Things to Consider Before Renting a Unit

FOLLOW DIRECTIONS IN THE AD

Some landlords/property managers prefer calls, some use email or the messaging system through the ad site (such as Kijiji messaging). Many ads also ask very specific questions to assess applicants.

CALLING THE LANDLORD

Prepare your list of questions before you call and keep a pen and paper handy to write down the answers. There are probably others who are interested in the rental, remember to be polite and make a great first impression.

VIEWING THE RENTAL UNIT

Arrive on time and be well-groomed and well prepared. Introduce yourself and try to remain calm and confident. Have your references ready to provide to the landlord/property manager.

PREPARE YOUR DOCUMENTS

To support your rental application, landlords/property manager may ask to see your driver's license or other ID. They may ask where you work, and permission to run a credit check. There are rules about your privacy that must be respected.

APPLYING FOR THE RENTAL

Make sure you understand the application process, ask questions if something isn't clear. Fill in the application form (paper copy/online). Inquire about the deposit fees and next steps.

SIGNING THE LEASE

A successful applicant will be asked to sign a lease. Upon signing you will usually be required to pay last month's rent. Then first month's rent is due on the 1st day of the month you've rented the apartment for (make sure to get receipts).

Landlord Responsibilities

According to Canada Mortgage and Housing Corporation (CMHC):

- Landlords are legally obliged to ensure that the rental unit complies with the standards for:
 - Health
 - Safety
 - Housing
 - Maintenance
- Before renting a property, it must meet:
 - Municipal property standards
 - Zoning bylaws
 - Fire safety regulations
 - Local building codes
- Landlords must:
 - Maintain the tenant's home in a good state of repair and fit for habitation and at the landlord's expense
 - Always ensure a reasonable supply of fuel, electricity, hot and cold water and other utility services (cable, Internet)
 - Not seize, without legal process, a tenant's property for rent default or for the breaking of any other obligation of the tenant.
 - Not harass, obstruct, coerce, threaten or interfere with the tenant.

Tenant Responsibilities

According to settlement.org, as a tenant it is important to make sure that you:

- Pay rent on time
- Behave well, clean the rental premises, repair damage caused by an accident or deliberate act of the tenant or a person whom the tenant permits on the premises
- Do not harass, obstruct, coerce, threaten or interfere with the landlord
- Contact the landlord as soon as possible when a problem arises involving repairs or services
- Permit entry (with proper notice) for repairs or showing of the home for the next tenant or purchaser
- Follow the terms in your rental agreement or lease

CMHC provides an “I Am Renting” Guide with helpful information for tenants.

You can find this resource here: <https://www.cmhc-schl.gc.ca/en/consumers/renting-a-home/i-am-renting>

Eviction Process

Eviction is the removal of a tenant from a rental property by the landlord.

Reasons for eviction recognized under the Residential Tenancies Act

- Arrears of rent
- Persistent late payment
- Damage
- Substantial interference with reasonable enjoyment of the unit
- Impairing safety
- Overcrowding
- Illegal Act
- Misrepresentation of income (if tenant pays Rent-Geared-to-Income)
- ***Landlord's own use***
- ***Purchaser's own use***
- ***Demolition, renovation or conversion***

*These are the most common reasons set out by the Residential Tenancies Act (RTA)
